NEA-RA LOCAL DELEGATE 2017

Janet Leslie, Lincoln

I would be honored to have your vote to represent AEEA teachers at the national level. I am a 6th grade teacher and a previous AEEA representative. I will speak out against injustice within our profession and vote for issues that will benefit those of us teaching in Anaheim.

Jamie Burton, Ponderosa

I would be honored to serve as AEEA's NEA-RA local delegate. I have been an active participant in our Anaheim Educator PAC, our AEEA organizing committee, and I currently serve as an Area Director. I am a proud member and supporter of our union. I believe in public education and believe in the fight to maintain and improve our education system.

Debbie Resnick, Lincoln

Now, more than ever, we need strong representation at the national level. Public schools are under attack. I am knowledgeable about educational politics and not afraid to stand up and speak out to protect our rights. I hope you will vote to send me to the NEA RA to be your voice.

PAR PANEL, 2017-2020

Lynn Vincent Ozdemir

Having been on the PAR Panel, I know the value of teacher representation and the importance of the position. I want to serve on the panel in order to help other teachers. Currently, I am a 6th grade teacher at Gauer. I have a diverse teaching background having taught most grade levels at multiple schools throughout the district. My experience also includes many years of service with AEEA as Vice President, Secretary, and a School Site Rep. At the school level, I have been active stakeholder with positions on PTA boards, School Site Councils, SST, and Leadership Teams.

Suzanne Gamache, Lincoln

I have served on the PAR Panel for several years, and I have enjoyed working to ensure that all teachers are given the tools needed to be successful. I would appreciate the opportunity to continue to serve the teachers in the Anaheim Elementary School District. Thank you for your vote.
