Bargaining Teams Reach Settlement!

December 11, 2013

At 8:45 p.m. after exactly one year of negotiations, the AEEA and ACSD teams reached a contract agreement for 2013-2014 and 2014-2015.

Highlights include:

- ✓ 2% increase on the salary schedule each year and a 1% off schedule bonus each year (retroactive to July 1, 2013)
- ✓ Two (2) days at per diem rate added to the 14-15 work year for Common Core Implementation
- ✓ Opportunity to apply for transfers after “transfer/reassignment season”
- ✓ Staff meetings limited to 60 minutes (This has been the past practice, but the duration was not in the contract.) At least one staff meeting a month will be dedicated to a teacher-driven PLC.
- ✓ Improvements to class size language

Thank you for your “HELP” and support!!! Your participation has been amazing and energizing. You made a huge difference by caring. The anniversary rally was an incredible gathering and success. The AEEA Bargaining Team greatly appreciates your efforts, and our AEEA Organizers are to be commended!

Our Bargaining Team is beyond amazing, and words can't express or capture the depth of their dedication and work!

Please attend the AEEA General Membership Meeting for more information and the opportunity to ask questions about the contract settlement. The meeting will be held at the Anaheim Educators office on Monday, December 16, 2013 at 4:00 p.m. Voting will take place during the week of December 16th.
