QUICK NOTES

- AEEA Leadership would like to thank all site representatives, committee members, and volunteers for their time and efforts during the 2010-2011 school year! You are amazing!!!
- It is likely the June 9 MOU reached between AEEA and ACSD will be ratified by the members and approved by the ACSD School Board. If such is the case, those employees that had their step increase delayed for six months will receive a salary adjustment. Affected bargaining unit members that are close to or are considering retiring soon may want to meet with a STRS counselor and discuss any impact this might have on retirement benefits.
- **Catastrophic Leave Bank - Open Enrollment July 1 - September 30, 2011**
If you were one of the 78 participants last year, you will need to participate again in 2011 in order to remain active in the program. A combined minimum of 100 days donated to the bank are required for the bank to be in force. Hopefully there will be even more interested participants this year!
- Don't forget that Enterprise Car Rental has great rates for CTA/AEEA members!
- Keep a comprehensive file of all employment and evaluation related documents.
- Read your contract, cover to cover, at least once a year!
