Today, February 2, 2018:

Negotiations for the 17-18 school year commenced today with the teams meeting for about four hours. During that time, the teams exchanged initial proposals and clarified the rationale for each. Both proposals will be posted as part of the February 7 AESD Board agenda for the purpose of “Sunshining” (making the proposals known and available to the public).

Given the District’s Budget Stabilization Timeline and the anticipated adoption of the Board Resolution to stabilize the budget on February 21st, the teams will wait to begin discussions regarding items and articles that are cost-related until March 8th.

The next scheduled meeting is Thursday, February 22nd. The teams will begin work on language based on further discussions for items that are not cost-related on that day. Additional meeting dates: March 8; March 20; April 17; April 27; May 8; May 23; and June 7. AEEA is certainly hopeful that more meetings have been scheduled than will actually be needed, and that a settlement can be reached earlier than in previous years.

Thank you again for your support! It is VERY important!!!
