NEGOTIATIONS UPDATE – April 17, 2018

**Thank you members for wearing your AEEA T-shirts in support of our team!
Your participation is appreciated!**

Negotiations for the 17-18 school year continued on Tuesday, April 17th. There was an overwhelming participation and response to the Instructional Planning Day (IPD) Survey, **thank you**. Input gathered from the survey was and will continue to be utilized to guide discussions and proposals. Unit members were overwhelmingly united around the need and value of continuing the current IPD configuration.

The teams exchanged proposals for: Article IV (Leaves of Absence); Article VII (Hours of Employment); Article VIII (Class Size); and AEEA presented a proposal for Article IX (Safety). The focus of AEEA's safety proposal was on guarantees of intervention and support in response to aggressive or violent student behavior. The teams did not reach any Tentative Agreements.

AEEA also presented the District with a Demand to Bargain memo regarding the impact of changing to a Full-Day Transitional Kindergarten (TK) program. A sub-committee consisting of both bargaining team members as well as someone from C & I will comprise the committee. Meeting dates are TBD. AEEA will continue to seek TK member feedback throughout this process.

Future Negotiations Dates: April 27; May 8; May 23; and June 7.

**Thank you again for your support and participation!
They are VERY important!!!**
